IBM COGNOS ANALYTICS ACCOUNT

The screenshot displays the IBM Cognos Analytics with Watson web application interface. At the top, a dark navigation bar includes the product name, a search bar, and user profile icons. A blue maintenance banner is positioned below the navigation bar. The main content area features a large welcome message, a brief introduction, and two prominent buttons: 'Watch video' and 'Take a product tour'. To the right, a user profile dropdown menu is open, showing the user's name, email, and a list of settings and actions. Below the main content, a 'Quick launch' section provides four large, light-blue tiles for 'Upload data', 'Prepare data', 'Exploration', and 'Present data', each with an icon and a short description of its function.

IBM Cognos Analytics with Watson

Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events

Hello. Welcome to Cognos Analytics with Watson.

You can get started right away by taking a look at our introduction video, product tour and Getting Started tab.
